

Welcome to the mini Snake game. (press any key to continue)

Game instructions:

-> Use arrow keys to move the snake.

-> You will be provided foods at the several coordinates of the screen which you have to eat. Everytime you eat a food the length of the snake will be increased by 1 element and thus the score.

-> You can pause the game in its middle by pressing any key. To continue the paused game Press any other key once again

-> If you want to exit press esc.

Press any key to play game...
